

QUALITY POLICY

Cara Group will ensure that our construction and brickwork contracts meet our client's expectations, our own high standards and comply with all relevant regulations.

Specific quality objectives will be set and reviewed through our management review process. To help achieve these, we will maintain a management system that meets ISO 9001 - "*Management Systems – Requirements*".

We must strive to continually improve our performance by regularly evaluating our construction and brickwork contracts and identifying actions to ensure that our objectives are achieved and that problems are prevented.
